

15-12-2022

Dear Team Captains,

Masterclass

Thank you for attending the first masterclasses last week! If you were unable to attend or wish to rewatch the masterclass you can find it through the following link: <https://youtu.be/FQz9utvqQ7Y>

We have another masterclass planned for you next week!

In the next few weeks many of you will take a break from studies & work. Just before the Christmas Holidays, we want to give you the opportunities to ask questions about the Challenge. Therefore, we have prepared another masterclass!

This time given by two of our team members! Daphne and Muhammet are working behind the scenes to make the challenge a success. We will give you a virtual tour throughout the website, workspace and SDG Toolkit. Furthermore, we'll explain the Impact Video Challenge and provide you with tips & tricks to make the best videos possible! Last but not least, take this chance to ask all your questions for the challenge!

Thursday December 22nd 15:30 – 17:00 CET GMT +1

!! Note: Please check your time zone here: [TIMEZONE CHECK](#)

Meeting Link: [MS TEAMS LINK](#)

Please confirm your attendance: [LINK](#)

Program:

- opening
- introduction workspace / SDG toolkit
- Impact challenge / how to make a video
- Q&A
- closing

Workspace Update

We hope you all found your way on the workspace area of the website. We would like to update you that two extra folders were added:

- Communication Archive
- Which contains:
 - - All previous emails with information
 - - Explaining documents
 - - Link to the Q&A sessions
 - - Link to the Masterclasses.
- Forms to find matches with coach/ambassador

- Agenda
- Which contains:

- - The next masterclasses (including teams link)
- - Deadlines for the Challenge

Find match with coach or ambassador

If you haven't found a match with a coach, please fill in [this form](#) which can also be found in the communication Archive.

The ambassadors would love to meet you! Please fill in [this form](#) to find out who is the ambassador of your country.

Please note that you are responsible for the contact. This means when there is found a match in the file, you can address this person yourself by email as provided in the document.

Check the Workspace to find everything you'll need to know about the Challenge.

Unfortunately, we have received several emails where people are unable to edit the excel. For this to work, make sure you are logged in with a Microsoft account

If this doesn't work, you can manually send your coach/team connection or what you are looking for in a team/coach to challenge@wavemakersunited.com. Mention:

- Your full name
- Nationality
- What you are looking for (coach/team)

Kind regards,
Daphne van der Vaart
